RECOVER
& GOVERN!

Detect Indicators of Data Leaks

Find out exactly when a data leak or breach happens.

Vet Your Data Partners

Dozens of phone calls and text in a day is unacceptable. Ensure partners are doing what they should be with data.

Validate Customer Experience

Your customers should not have a bad experience, find out what exactly they are getting and by who.

About Assumed

Assumed LLC provides simple solutions to improve the security posture of just about any organization in 3 easy steps, allowing companies to easily detect indicators of data leaks, vet data partners, and validate customers' experience.
